Where the Road Appears to Lead to Darkness

```
Gm                    Dm        Cm
1> As I travel -- as I sometimes wander
Gm                          Dm   Cm
   Down the road of life as it unfolds
Gm                         Dm     Cm
   Ever searching, I can't help but wonder
Gm                          Dm      Cm
   What surprises each new day may hold
Gm                    Dm      Cm
2> My Redeemer will guide my footsteps
Gm                          Dm     Cm
   Making straight for me the crooked road
Gm                         Dm     Cm
   Even when I'm in the darkest valley
Gm                          Dm    Cm
   Burdened down by trouble's heavy load

        Eb          F            Gm
[CHORUS] With His Spirit as my Guide
        Eb                   F              Gm
           I know that He will be right by my side
                   Eb       F              Gm
           Where the road appears to lead to darkness
        Eb                   F          Gm F   Bb(no3)
[BRIDGE] Jesus calls us to be salt and light to the world
        Eb                F           Gm
           Like a city on a hill we are to shine (Shine Your light on me, O Lord)
        Eb                          F            Gm  F   Bb(no3)
           Bringing goodness to corruption that is all  a - round
       C(no3)
           When persecution come remind me, Lord,
           D(no3)           D7
           Not my will but Thine.
