And I believe that He's comin' back again

\- - - the world began
I believe by Satan's tempting
\- - - the fall of man
I believe that God already had a plan
And I believe that He took the form of man

- I believe the Virgin Mary
\- - - gave birth to Christ
I believe that those who seek Him
\- - - can have new life
I believe that He came to set us free
And I believe that He's comin' for you and me

- I believe in free salvation
\- - - for those who pray
\- - - and beg forgiveness
\- and turn from their wicked ways
I believe in His mercy and grace and love
And I believe in the power of His blood

- [INSTRUMENTAL]I believe that He will return in power
And I believe that there's no man knows the hour

- I believe in resurrection
\- - - of all the saints
When He comes He's leavin' behind

I believe He's returning for His bride
And forever in Heaven we'll abide
