**G7 G7sus4 G7**  
That I might understand (ooh)  
**C7 C7sus4 C7**  
What I have heard.  
**G B7**  
Open my eyes that I might see  
**Em Em7 C A7**  
More and more of what you have for me  
**G7 D7**  
Oh, Lord, you hold the key  
**G7 G7sus4 G7**  
So unlock my heart

[Repeat CHORUS]

**D D7**  
1) In your presence, I have found  
**G (F#bass) Em**  
the power that makes this world go 'round  
**D D7 G**  
In your presence, I have found true peace  
**D D7**  
Lord, I'm asking to be filled  
**Em C**  
with power and vision that your will  
**A7 A7sus4 A7**  
Might be the focus of my life  
**D D7**  
for all the world to see [REPEAT CHORUS]

**D D7**  
2) You have brought me from the depths  
**G (F#bass) Em**  
and turned my sinful life around  
**D D7 G**  
By your mercy and your grace I'm whole  
**D D7**  
Now I ask to be empowered  
**Em C**  
by your Spirit to be showered  
**A7 A7sus4 A7**  
Whatever you might have for me  
**D D7**  
I'm willing, Lord, to do. [REPEAT CHORUS]
